Dear Creekside Comet Families:

It is with great excitement that I welcome you to the **2023-2024 school year!** Whether you are a returning family or a new family to Creekside, we are all about to embark on a wonderful school year!

My name is Alice Tumilty and I am the proud principal of Creekside Elementary School. As I start my 5th year leading this incredible school with Sheri Bennett by my side as our Assistant Principal, I am beyond grateful for the support from our parents/caregivers, the dedication of our talented and ambitious staff, and of course the joy of watching your incredible children grow through their elementary school years!

Whether your child enjoys learning to read and write, to tackle a challenging math problem, to create a bridge in our STEAM lab or to participate in our grade level Interest groups, there is a place at Creekside where your child will connect and feel a part of our inclusive community. Throughout the year we engage in rigorous academics, however, we also take time to tap into each student's interests, strengths and passions. More importantly we take time to identify the needs of each student in the following areas: academics, social emotional needs and behaviors.

I look forward to seeing all of our Comet Community at our **In-Person Registration event on August 8th from 4:00-7:00 in our MPR.** In addition, please plan to attend our upcoming Back-to-School-Nights to learn more about our incredible school and community.
